## SCHOOLBOY, 9, INJURED WHEN STRUCK BY CAR

John C. Heiser, nine-year-old Meade School student, was reported in "fair condition" today at the Warner Hospital after suffering a fractured skull and body bruises when struck by an auto near his home on Gettysburg R. 3 while enroute home from school Thursday afternoon.

The child had disembarked from a school bus near his home and was crossing the road when he was struck by a Volkswagen station wagon operated by Clair D. Reigle, 47, of 151 Lumber St., Littlestown, according to state police.

The child's father, Edward Heiser, said this morning that the school bus stopped beyond the Heiser home along the Lincoln Highway, two miles west of here.

His mother, Mrs. Mary Heiser, was on the porch watching as her son walked along the north side of the highway for a distance while the school bus and cars which had stopped behind it when it stopped to permit the child to disembark started again.

Knocked Unconscious  
The eastbound Volkswagen, according to police, was one of the vehicles which had stopped when the westbound bus had halted.

After walking along the north side of the highway to a point about opposite his home, young Heiser started to cross the road and was struck by the Volkswagen in the eastbound lane, or south side, of the highway.

The mother rushed to her injured child and the Gettysburg Fire Department ambulance was called to remove him to the Warner Hospital. The child lost consciousness for a brief interval after being hit, but soon regained consciousness.

Police said damage to the Relgie Volkswagen was estimated at \$25.

## FRENCH GROUP TO SHOW MOVIES HEAR LECTURES

French lectures and movies will be included in the 1958-59 program of the Alliance Francaise of Cumberland Valley, according to tentative plans discussed by officers of the organization at a meeting on Thursday evening at St. Joseph College, Emmitsburg.

Panel discussions in French by Alliance Francaise members and by students are also planned. Meetings are held the second Sunday of each month at 2:30 p.m. in Brue Hall at Gettysburg College. The first meeting of the new term will be October 12.

A rotating refreshments committee to include students of Hood, Wilson, St. Joseph and Gettysburg colleges, was considered at the Thursday meeting.

Invite Students  
The organization is affiliated with the International Federation of the Alliance Francaise and has as its purpose the fostering and appreciation of French culture and the bettering of speaking ability in French among its members.

Meetings are conducted in French. Students and faculty members from colleges and high school are encouraged to attend the meetings.

Sister Margaret, chairman of the Romance Language Department at St. Joseph's, is president. Other officers are Robert Rodgers, Hanover, vice president; Maynard Playfoot, Romance Language Department, Gettysburg College, secretary-treasurer; Dr. Albert Bachman, chairman of Romance Languages, Gettysburg, librarian; Miss Lucie Fitzpatrick, Romance Language Department, St. Joseph's, chairman of program; and Mrs. Charles H. Heldt, Littlestown High School, chairman of refreshments.

## 2 CARS SIDESWIPE

State police said today that at 12:15 o'clock Thursday afternoon two cars sideswiped on a legislative route near Hanover. The officers said the cars were those of Robert McKim, 35, McSherrystown, and Larry Eugene Hemler, 21, of Hanover. Neither was injured. Damage was estimated at \$350 to McKim's Chevrolet sedan and \$100 to Hemler's Mercury.

## Change Procedure On Physical Exams

Changing a pattern that was followed through World War II and most of the years since, the Adams County Draft Board received orders to send countians for induction and physical examinations on October 20 with the men taking the physical to be kept at Harrisburg overnight and returned the next morning.

Under the old procedure, the men called for physicals would leave on an early morning bus and get back the same day. On October 20 they will not leave Gettysburg until 10 a.m. and will be returned by early bus the next day.

Five men will be called for induction on that date and seven for their pre-induction physical examinations.

## CONSTRUCTION OF SOUTH WING WELL ADVANCED

Construction of the new south wing to the Annie M. Warner hospital is ahead of schedule and there is no indication of any obstacles that may cause the contractor to lose the time gains he has achieved, directors of the hospital were informed at a meeting of the board held in the Musselman annex Thursday evening.

Administrator Walter Dillon reported the boiler plant and connecting corridor are under roof and that underground pipe lines have been installed, tested and approved. The first floor joists of the new wing have been set and masonry work will start next week.

Dillon reported also that all color selections have been made and that in general the color scheme will conform with the north wing.

Elect Staff Member  
Atty. Richard A. Brown, president of the board, presided over the meeting which approved operating reports of previous months and transacted routine business.

Dr. William H. Pfeffer, Hanover, was elected to membership on the medical staff, at the recommendation of the staff, with privileges in urology.

Dillon officially advised the directors that the hospital has been fully accredited following an inspection in August by a representative of the Joint Commission of Accreditation of Hospitals which comprises the American

## U.S. Sets Up "Combat Command" On Formosa

TAIPEI, Formosa (AP) — The United States has announced reorganization of the American advisory command on Formosa, making it—in effect—a regular combat command.

The announcement by the commander of the U.S. Formosa Defense Command, Vice Adm. Roland N. Smoot, said the step was taken to attain an adequate defense posture in the face of recent stepped-up Chinese Communist actions.

In the Quemoy area, Communist and Nationalist guns thundered in fresh battle today. The Nationalists said the Reds fired 2,613 shells between noon and 6 p.m. The bombardment was particularly heavy while three LSTs—Landing Ship Tank—were unloading supplies at Quemoy. The Defense Ministry here said the ships accomplished their mission without damage and returned safely to base, presumably the Pescadores Islands.

Smoot's command announced that the United States has augmented its Army, Navy and Air Force in the Formosa area. It said this augmentation has established a requirement for central-

## CHURCH WOMEN RE-ORGANIZE AT ST. JAMES

Approximately 200 women of St. James Lutheran Church dined at the church Thursday evening and then organized a Unified Program of the United Lutheran Church Women by electing its first staff of officers with Mrs. Charles C. Culp as president.

A ham dinner, prepared by the Maude Miller Sunday School Class and the Mother's Class, was served by the men of the church at 6 o'clock in the church's dining hall. Mrs. Henry T. Bream was toastmistress with Mrs. Robert Shealer serving as song leader and Mrs. Paul L. Reaser at the piano.

Mrs. Donald W. Fair, general chairman, presided at the business meeting at 7:30 o'clock in the Sunday School chapel with devotions being led by Miss Vestal Stallsmith.

## New Officers Installed

The initial staff of officers, headed by Mrs. Culp, includes: First vice president, Mrs. K. O. Deardorff; second vice president, Mrs. J. Luther Wisler; third vice president, Mrs. Helen Sheffer; fourth vice president, Mrs. Donald Fair; recording secretary, Miss Irene Day; corresponding secretary, Mrs. Richard C. Lighter; statistical secretary, Miss Vestal Stallsmith, and treasurer, Mrs. Carl Prosser.

The election was by acclamation and the new leaders were installed by Mrs. Warren C. Heiny, vice president of the United Lutheran Church Women of the Central Pennsylvania Synod, who was the guest speaker for the evening.

"Unify To Multiply"  
Mrs. Heiny told the church women that "unification brings all of the women a better opportunity for education, service, evangelism and stewardship." She continued: "Responsibility is shared equally by one large organization instead of several smaller ones. We unify in order to divide into circles in order

This booklet is expected to (Continued On Page 3)

## REV. L. T. BOWERS GUEST SPEAKER FOR ST. JAMES

The Rev. and Mrs. Louis T. Bowers, Lutheran missionaries to Liberia, will be the guests of St. James Lutheran Church Sunday. The Rev. Mr. Bowers will preach at the two morning services at 8:15 and 10:45 o'clock.

These missionaries have been supported by the St. James congregation since they went to the foreign field 20 years ago.

At a special meeting of the congregation on May 9, 1937, St. James Lutheran Church took action to support the Rev. Mr. Bowers, who had been a student assistant in St. James, to go as a missionary to China. This action was followed three months later by a commissioning service held in St. James Lutheran Church on Sunday, August 29, 1937.

Five days before their commissioning, Mr. Bowers was married to Miss Virginia McQuiklin of Columbia, S. C. Rev. Mr. Bowers and his wife had desired for a long time to go as missionaries to China, but at the last minute plans had to be changed because of the conflict in China and the Board of Foreign Missions of the United Lutheran Church in America thought it unwise to have any new missionaries go into that area. When the work for new missionaries opened in Liberia the following year, Rev. and Mrs. Bowers agreed to go. They had been serving since in the work of education, vangelism and church administration.

Following their visit in Gettysburg Sunday, they leave for New York City, where they will take a plane for their return to Liberia.

## TESTIMONY ENDS IN ROAD CASE

Attorneys in the equity case brought by Adam Micun, Darby, against Olmer Spence, Fairfield, were instructed to file briefs by October 20 following completion of testimony in the trial held before the Adams County court without a jury Thursday morning and afternoon.

Judge W. C. Sheely, at the conclusion of the trial, said it was evident that a road through the Micun property had been in use as early as 1900 but said that state statute normally provides that roads through unenclosed forest land do not become public roads by use.

According to the court, state law provides generally that when a road had been in use 21 years by the public it becomes a public thoroughfare. The one exception is in forest land where the state provides that a right of way cannot be secured merely by use. The law was passed because of the number of trials, lumber roads, etc., through forested areas, many of which are used infrequently after initial use. If roads could become public rights of way by prescription in wooded area, "an owner might return to his land to find it had been cut up by a number of roads that were used for a time and then relatively abandoned."

Micun had brought the suit (Continued On Page 3)

## TEETER NAMED AS FULTON D. A. FOR NEXT WEEK

Adams County's district attorney, Daniel E. Teeter, has been named to serve as district attorney in Fulton County next week, it was learned today.

Judge W. C. Sheely, president judge of both the Adams and Fulton County courts, said Attorney Teeter had been named acting district attorney for Fulton County because of an auto accident Wednesday in which Atty. John W. Mentzer, district attorney for Fulton County, was badly injured. The McConnellsburg attorney is a patient in the Chambersburg Hospital, Judge Sheely said, with a broken leg and arm and other injuries.

Fulton County court is scheduled to begin trials of criminal cases Monday.

## Court Here Soon Again

With the injuries suffered by the Fulton County district attorney preventing his serving for the current term, Judge W. C. Sheely called the state attorney general for a replacement. The state attorney general, finding that Adams County court had just ended its August term, suggested the appointment of the Adams County district attorney to fill the Fulton County post.

As a result Attorney Teeter, who Thursday afternoon finished his August term duties in Adams County court by appearing as the attorney for Oliver Spence, Fairfield, in a civil suit, will appear before Judge Sheely Monday as Fulton County's district attorney "pro tem."

The local jurist and district attorney will both be hoping that Fulton County's September term of court does not last too long. Both are due back here for the October term of Adams County court which will begin with the grand jury session October 6, nonsupport that pleas of guilty October 10 and trials starting October 13.

## PILGRIMAGE FOR NCCW ON OCT. 12

Plans for a pilgrimage October 12 to the grotto at Mt. St. Mary's College at Emmitsburg in honor of the centenary year in honor of the centenary year at Lourdes were made at the first fall meeting of the local Parish Council of the National Council of Catholic Women Thursday evening in Xavier Hall. The vice president, Mrs. Ted Tulling, presided.

Mrs. Joseph Heiney, spiritual development chairman, will be in charge of reservations for the pilgrimage. Parishioners interested in making the pilgrimage should contact her on or before October 4, it was announced.

Mrs. George P. Everhart was named chairman for a card party to be held October 20 in the cafeteria of St. Francis School.

It was announced that the national council will sponsor a merchandise club, starting October 4. Mrs. Herman Frasch will be in charge here.

The Rev. Fr. Anthony Kane, spiritual moderator for the local council, addressed the group on "Catholic Action in Laymen."

Hostesses for the social hour that followed the meeting included Mrs. Virginia Meals, Mrs. Frank Rosensteel and Miss Anna McSherry.

## SPOTTERS TO MEET

An important meeting of the local spotters of the Ground Observer Corps will be held on Monday at 8:30 p.m. at the engine house.

## DINNER OPENS CONCERT DRIVE

The annual workers' dinner inaugurating the opening of the 1958 campaign for membership in the Gettysburg Concert Association will be held at the Hotel Gettysburg Monday evening at 6:30 o'clock, Dr. Jacob W. Heikkinen, president, announced today.

The drive will open that evening and continue the following Saturday after which directors will select the artists who will present concerts here during the winter months.

Headquarters for the campaign will be maintained in the Hotel Gettysburg lobby and a telephone will be installed. The number will be announced Monday evening.

The main attraction this year will be the New Orleans Symphony Orchestra.

## DAMAGE ACTION FILED HERE FOR JULY 21 CRASH

Mr. and Mrs. Lester "Bud" Carter, 210 W. High St., Thursday brought suit in Adams County court against Dorothy R. Zielinski, Pittsburgh, and Doris I. Liggett, Columbus, Ohio, in an attempt to recover damages as a result of an auto accident July 21 at the intersection of the Emmitsburg Rd. and Confederate Ave. about three miles south of here.

Mrs. Catherine Elizabeth "Betty" Carter, 28, wife of Lester Carter, was driving their car north on the Emmitsburg Rd. at the time of the crash. National Park Ranger John Rogers, who investigated, said at the time that the accident occurred when an Ohio licensed car entered the Emmitsburg Rd. from S. Confederate Ave.

Mrs. Carter sought to avoid the vehicle driving into the path of her 1957 Chevrolet and turned west. The Carter car entered W. Confederate Ave. and struck a tree about 40 yards from the Emmitsburg Rd. Witnesses who saw the Ohio car stop briefly, then continue on, took the license number of the vehicle and turned it over to the investigating officer.

## An Expectant Mother

Mrs. Carter who is an expectant mother, was removed to the Warner Hospital where she was found to have suffered a fractured right hip, lacerations of the right side of the head, lacerations of the left upper eyelid and lacerations of the right knee. Mrs. Carter's head struck the windshield of the car when it hit the tree and shattered the glass. Damage to her auto was estimated at "about \$1,000."

Attorney H. Thomas Pyle, of the law firm of Brown, Swope and MacPhail, who filed the action in trespass in the Adams County prothonotary's office for Mr. and Mrs. Carter, said further investigation based on the license number taken at the time, "shows Dorothy R. Zielinski of Pittsburgh as the reputed driver of the car which in our opinion caused the accident and Doris I. Liggett, of Columbus, O., is the reputed owner. Mrs. Carter suffered very painful injuries in the accident and we feel that while there was no actual collision, the other car was responsible."

## TREATED AT HOSPITAL

Lorraine Lowe, 40, Emmitsburg, was treated at the Warner Hospital Thursday for lacerations of the left elbow and abrasions of both knees suffered when she was thrown from a bus when the bus door suddenly opened.

Francis Donovan 17, a student at Mt. St. Mary's College, received treatment Thursday for a separation of the right shoulder sustained while playing football.

## Final Atomic Weapon Is Fired Today In Nevada

ATOMIC TEST SITE, Nev. (AP) — A tiny, but powerful, atomic weapon exploded over the desert today as the seventh and possibly final nuclear test series opened at this southern Nevada proving ground.

A brilliant flash cut through the morning sunlight as the device went off beneath a balloon at 500 feet elevation.

A light brown cloud, without the usual atomic mushroom shape, shot up over the floor of Yucca Flat at 7 a.m.

The sound and the shock wave were hardly noticeable at News 10 1/2 miles away.

Within minutes after the blast only a thin cloud remained. The weapon's power was rated at a fraction of a kiloton. This means that the explosive force was equal to several hundred tons of TNT.

The shot today was named "Eddy" for Eddy County, N.M. All of the weapons developed at the Los Alamos, N.M., laboratory which are used in this series will be named for New Mexico's counties.

A 10-shot series has been planned, but must end before Oct. 31, effective date of President Eisenhower's proposal for a one-year suspension of nuclear weapons tests.

This yearlong moratorium could lead to an indefinite halt.

The program is being informally called "Operation Deadline."

In this series, the AEC is seeking to develop small defensive weapons to round out the nation's atomic power.

Devices to be tested will range up to 20 kilotons. This is considered small by current standards, but in World War II it took just one two-kiloton bomb to destroy a Japanese city.

Four of the tests will be fired from balloons and low towers. The remaining six will be in tunnels deep in a mountain.

The 20-kiloton weapon will be detonated underground.

The AEC found out in 1957 with its first tunnel experiment that subterranean testing does away with a lot of problems and produces the same scientific results. Off-site radioactive fallout and blast and flash effects are eliminated.

## THREE MEN ARE CERTIFIED FOR P. O. POST HERE

The Civil Service Commission at Washington announced today that it has certified three men as eligible for appointment to the Gettysburg postmastership which has been vacant since the sudden death a year ago of Lawrence E. Oyer.

The trio certified have been listed in this order: Dewey E. McCauslin, who has been acting postmaster since March 23; Arthur W.

U. S. PROPOSES  
YEAR'S DELAY  
ON RED CHINA

By MAX HARELSON  
UNITED NATIONS, N.Y. (AP)—The United States formally proposed today that the U.N. postpone action on the seating of Red China for at least another year.

The move was made by Ambassador Henry Cabot Lodge in the General Assembly's powerful Steering Committee.

Lodge spoke after Indian Defense Minister V. K. Krishna Menon urged full debate at the current Assembly session on the highly controversial issue of giving China's seat to the Peking regime.

**Branded As Aggressor**  
The U.S. proposal was similar to motions adopted by the Assembly in previous years. There appeared no doubt that it would be approved again this time.

Lodge told the committee "this year, of all years, is not the time" to consider ousting Nationalist China and seating the Chinese Communists. He made no direct reference to the Chinese Communist attacks on Formosa, but spoke only of "recent developments" in the Far East.

Nationalist China's T. F. Tsiang blasted the Peking regime as a product of Soviet indirect aggression and subversion, and declared it does not represent the Chinese people. He also asserted it had been branded by the U.N. as an aggressor.

COUNTY WOMAN  
EXPIRES TODAY

Mrs. Mary M. Schlottzauer, 69, widow of Carl A. Schlottzauer, Lancaster, died early this morning at the Wolford Bible Home, "Fairfield R. 1, where she had been a guest for ten months. FAUBUS OFFERS  
HIS 'LEGAL' PLAN  
ON SEGREGATION

By THE ASSOCIATED PRESS  
Gov. Orval E. Faubus of Arkansas Thursday night offered the people of Little Rock what he termed a legal plan for private, segregated schools and asked them to vote for segregated classes.

In Virginia, Gov. J. Lindsay Almond Jr. closed white schools as rapidly as the courts ordered them to admit Negroes.

An attorney for the National Assn. for the Advancement of Colored People said he will go to court if necessary to get a group of Negro children into a white elementary school at Miami, Fla.

Can Be Leased  
Faubus said approval of segregated classes in the Sept. 27 special referendum will make the school facilities surplus property. The School Board can then lease them to private agencies and he urged them to do so. One such agency has already been chartered.

The plan depends heavily on the special election which some lawyers say has no legal significance because of the Supreme Court order to integrate immediately.

PTA Votes To Open  
The Little Rock School Board, meanwhile, arranged for informal televised classes to begin Monday. School officials have not decided what credit may be given for such work.

Almond closed two schools at Charlottesville, Va., under a state law which automatically halts classes wherever integration is ordered. The white high school at Front Royal was closed last week. The Warren County (Front Royal) Parent-Teachers Assn. vetoed a move to reopen the school without state funds. The PTA named a committee to make plans for interim pupil instruction.

U. S. Airmen Face  
Threat Of Snakes

AN AIR BASE, Central Formosa (AP)—The most immediate danger American airmen face when they move into this Nationalist Chinese base is not Communists. It's snakes.

Coral snakes, kraits, cobras, and a variety of the Chinese call eye-glass snakes all thrive in the thick grass around runways, near living areas, and in nearby cane fields.

So far no one has been bitten. But a deadly coral snake 5 feet 2 inches long was killed last week near the mess hall. A jeepload of airmen ran over a cobra on a roadway.

The snakes are rated as 5-stepers, 10-stepers, 50- and 100-stepers. The classification indicates the number of steps a person can take after being bitten before dropping dead.

SNARK BEGINS  
OCEAN FLIGHT

CAPE CANAVERAL, Fla. (AP)—A Snark guided missile streaked aloft today on the start of another 6,000-mile flight across the Atlantic.

The 69-foot Snark, which has been fired from the Cape more than 50 times, at present is the only U.S. missile capable of traveling intercontinental range.

Twin booster rockets flashed a bright stream of orange flame as the Snark skimmed across the Cape and out over the sea. After a few seconds, the boosters broke away and a turbojet engine cut in.

The missile, developed by Northrop, has a speed of only 600 m.p.h., but it is capable of sensational accuracy. If launched off course, the Snark's airborne guidance system can correct the trajectory automatically.

## CLAIM LICENSE AGENTS ASKED FOR DONATIONS

HARRISBURG (AP) — Pennsylvania's organized sportsmen charged today that fish license agents have been pressured to contribute to the Nov. 4 election campaign or risk losing their license franchise.

The allegation was contained in a report by a special committee of the Pennsylvania Federation of Sportsmen's Clubs, which came to Harrisburg for its annual fall meeting.

"This is something that has been going on for a long time and we have been working to pinpoint specific cases in order to take action," said Charles H. Nehf, Allentown, secretary of the federation.

Nehf said the special committee, headed by George E. Krause, of Altoona, and Merrill C. Merritts, of Petersburg, has reports of political pressure being exerted on fish license agents in Blair, Cambria and Chester counties.

The issue first came up at the organization's annual spring meeting, when the special committee was named to look into the charges.

Fish licenses are sold generally in sporting goods shops and hardware stores. Although the profit in handling licenses is small, store managers consider them a valuable asset for attracting customers.

### McBride Alerted

Nehf said he had been told that Atty. Gen. Thomas D. McBride had been alerted to the possibility of pressure contributions and had sent an investigator to Cambria County to look into charges there.

"We consider this one of the gravest problems facing the federation," Nehf stated.

He said that during the two-day meeting ending Friday, the organization would also study the need for revamping the state's motor boat laws with an eye to water safety.

"The present set of laws, we feel, is not too realistic," Nehf said.

serve as the bible for state and community officials and committees during the period between now and the end of the Centennial observances in 1965. It stresses that the planning is to be carried out at the local level, with the National Commission serving only as a cooperating agency or clearing house to guide the overall program and to avoid costly conflicts.

Identifying the Centennial as "an undertaking for us all," the guide points out: "With the limited funds Congress has made available to us, it is evident the National Commission cannot conduct every commemorative exercise all over the nation. What it has in mind is the true American approach: for each locality to plan and commemorate the chief events of its history during the great national crisis."

In a foreword, General Grant and Karl S. Betts, executive director of the commission, express the hope that all parts of the nation will participate so that young and old alike may be influenced to adopt "a truly American way of thinking" and pay tribute to the memories of forefathers "who took part in the bitter conflict to determine the exact path our national government should follow."

State commissions are urged specifically to take these steps: Develop promotion and publicity, arrange memorial observances, locate and preserve valuable documents, sponsor educational activities, encourage and sponsor publications.

The localities are asked to send detailed reports of their plans to national headquarters, thus enabling other communities to be informed of what is occurring nationally.

### Uniform Rank To Drill On Gridiron

Drilling exhibitions will be the half-time attraction at the Littlestown High School football game this evening at 8 o'clock on Memorial Field. Community Night will be observed and the Uniform Rank of the Alpha Fire Company, former state championship marching unit, will drill, accompanied by the Littlestown Senior High School Blue Band. The band, under the direction of Paul A. Harner, will also perform separately.

The Thunderbolts football squad will host Dallastown in the first of the season. The local gridiron players opened their 1958 season last Friday by receiving a defeat from Shippensburg High.

### BALL ON SATURDAY

The Eta Tau chapter of the Eta Tau sorority will sponsor a September Ball on Saturday night from 9 to 1 o'clock at Banker's Recreation Center, N. Queen St. Bill Collins and His Champagne Orchestra, York, will entertain. Dress will be semi-formal. Table reservations can be made with Mrs. John P. Feiser Jr., and tickets can be secured from any member of the chapter.

### SPONSORING CLUB

A merchandise club is being organized by the Junior Woman's Club of Littlestown with The Corner Shop, W. King St., and tomorrow is the deadline for joining the club. The first \$1 dues of the ten-week club should be paid to Mrs. Donald C. Feiser, Prince St., no later than Saturday by anyone interested in joining. Future dues will be paid at The Corner Shop.

### Promises Better U. S. Mail Service

CINCINNATI (AP)—Postmaster General Arthur E. Summerfield says there will be better mail service in the future despite a lack of facilities and an increasing volume of mail.

Summerfield was scheduled to be the principal speaker Thursday at the closing convention banquet of the National Assn. of Postmasters, but a strained throat prevented him from giving the speech in person.

Dep. Postmaster General Edward O. Sessions read it for Summerfield as his boss sat alongside him.

Summerfield said that recent increases in postal rates have not solved the postal deficit.

MELBOURNE, Australia (AP)—Britain is strengthening her Far East fleet with commando carriers because of the Quemoy situation, the first lord of the admiralty, Earl of Selkirk, said today.

"From such carriers trained commandos are capable of landing anywhere by helicopter," Selkirk added.

TOKYO (AP)—Peiping radio said five American warships "intruded into China's territorial waters" today on five separate occasions.

The Communist broadcast monitored here said the American warships intruded in the Pukien area and penetrated deep into the areas near Quemoy and Pailuan islands.

There were no Milking Shorthorn entries in FFA competition.

## FORMOSA BARS NBC REPORTER

TAIPEI, Formosa (AP)—The Chinese Nationalist government has barred James Robinson, an American correspondent for the National Broadcasting Co., from returning to Formosa.

Cecil Brown, another NBC correspondent here, said today the Nationalist Foreign Ministry told him his colleague's entry visa, had been canceled because of Robinson's "unfriendly attitude" toward the Nationalist government and supposedly critical remarks against Nationalist President Chiang Kai-shek.

Robinson, a 36-year-old Far East news veteran who covered the Korean War for NBC, flew to New York Wednesday to appear in television shows.

He had been in Formosa for about 10 days and has visited the island repeatedly in the past few years. His home base is Hong Kong.

Brown said the Nationalists accused Robinson of being unfriendly toward the Chiang Kai-shek government because of a speech in San Francisco a year ago before the World Trade Assn.

The Nationalists also complained of a prologue and epilogue to an interview with Chiang last year.

HARRISBURG (AP)—Some 200 delegates of the Pennsylvania State Education Assn. came to Harrisburg today for workshop sessions on public relations.

The two-day meeting will feature discussions of the classroom as a public relations media and new techniques in the field of education public relations.

HARRISBURG (AP)—Dr. Bernard Gutterman, of Pennsylvania State University, today was named a specialist in the Health Department's Environmental Health Bureau at an annual salary of \$7,407.

## LIVING COSTS TAKE 1ST DROP IN TWO YEARS

WASHINGTON (AP)—Living costs as measured by the government dropped in August for the first time in two years. The fall was two-tenths of one per cent.

The Labor Department attributed the decline to the usual late summer drop in food prices as fruits and vegetables hit the market in quantity.

Ewan Clague, the government's price expert, said no sustained living cost decline is in sight.

**To Hold Steady**  
He forecast the consumer price level will stay approximately where it is for the next few months.

Clague indicated belief the index may show a further small decline when September data is available because of continued late summer food price reductions.

The government index for August announced today was 123.7 per cent of the 1947-49 average. This is 2.2 per cent higher than in August last year.

The index had hit a record level 21 times in the past 24 months. This was a rise of about 6 per cent in general living costs in two years.

**Earnings Up**  
There is no sizable group of workers whose pay rates require adjustment because of labor contracts geared to the August index. The Labor Department reported that spendable earnings of factory workers rose slightly between July and August.

A worker with three dependents averaged \$75.90 a week after tax deductions. The single worker averaged \$68.48.

These earnings figures are somewhat higher than a year ago but represent reduced buying power because of living cost increases since then.

The food price decline in August was fairly general. Prices for meats, fruit and vegetables were all lower. Prices for eggs, milk and restaurant meals rose somewhat.

Transportation, housing, medical care and recreation costs were all higher.

## PROMOTER OF WORLD ORDER RESUMES JOB

NASHVILLE, Tenn. (AP)—Fyke Farmer, whose efforts for a world government brought fleeting fame but scant success, abandoned his 12-year crusade Thursday to go to work. He's broke.

"I've sacrificed everything and have nothing else for the struggle," said Farmer. He is resuming his law practice here.

Farmer tangled with ex-President Truman over the Korean war, won a brief respite for doomed atomic spies Julius and Ethel Rosenberg and even proposed a world constituent assembly at Geneva in 1950.

"I had to stop fighting for world government to make a living," said Farmer resignedly. "I can't voluntarily resign from life."

**Place Efforts Fall**  
At an end are the lean Tennessee lawyer's two major attempts to further peace—through a world government and by getting nations to accept international law.

The latter try ended June 9 when the U.S. Supreme Court refused to review lower court rulings that Farmer must pay his 1949 income tax of \$4,750.

Farmer had declined to pay the tax, arguing much of it would be used to finance the Korean War. He maintained wars were illegal under international law. Farmer failed in two attempts to subpoena former President Truman to appear in court for questioning on the conduct of the Korean conflict.

### Attracted 500

The 57-year-old attorney's attempt to establish an international government drew some 500 persons from 45 countries to the world constituent assembly at Geneva. Farmer was elected president and a proposed world constitution was drawn up. Little more was heard from this group.

**HOLD FINAL SESSION**  
SUNBURY, Pa. (AP)—The 11th annual conference of the Pennsylvania Assn. of Soil Conservation Districts went into its final session today with the advice to seek cooperation at all levels of government.

William Richard, vice president of the National Assn. of Soil Conservation Districts, told the meeting Thursday there is a "need for greater participation not only by the U.S. government, but by state and county governments as well" to solve soil and water problems.

## News From Nearby Counties

### FRANKLIN COUNTY

With half the current session of Franklin County criminal court taken up by the Isaiah O. Brown murder trial it is expected that about six cases will be squeezed off the trial docket and continued to the November term.

State police are investigating a series of burglaries in the county, the latest of which was at the Chambersburg Golf Club, Scotland. There two buildings were entered and clothing and cash was taken, police said.

"Fashions in Orbit" was the theme of a fashion show presented this week by the Franklin County Democratic Women's Club.

Cumberland Valley Lodge 315, F&AM, Shippensburg, will observe its 100th anniversary with a week-long celebration beginning September 28.

### YORK COUNTY

Hanover has been granted permission by the State Sanitary Water Board to extend its sewer system to serve 226 persons.

More than three-fourths of the \$20,000 which the city and county contributed to the York Airport Authority has been used to fight a lawsuit brought by Oscar Hostetter, private airport owner, it was revealed in an audit prepared by the city and county controllers.

The York Hospital is making moves aimed at getting its planned \$2,000,000 building expansion program under way in the spring.

### WASHINGTON COUNTY

Hagerstown police received a number of complaints about noises Wednesday night. One of them concerned a rooster which began crowing at 3 a.m.

Washington County's government costs have risen 45 per cent while income has gone up only 30 per cent, a report of the county auditor revealed. This year's budget is nearly \$5 million.

### FREDERICK COUNTY

Heavy rains and strong winds caused spotty damage and interrupted utility services in Frederick County Wednesday night. Jefferson was without telephone service after a cable between there and Pegasus snapped. Power lines were downed, mostly in the Frederick, Walkersville and Brunswick areas. Despite rainfall of more than an inch in much of the area, only a sprinkle fell above the Fishing Creek reservoir and the water level there fell about two inches.

A Detroit man, who showed a policeman a telegram when asked for his operator's license, was found guilty in Frederick magistrate's court on three counts, including drunken driving. Charles E. Parks was sentenced to serve 90 days in jail when he was unable to pay \$170 in fines.

## CHURCH WOMEN

(Continued From Page 1)  
to multiply into more participants. That is God's arithmetic.

"We come to know our fellow church members. New members can more easily assimilate into the church congregation. There is no choice of which organization to join since we are unified and there is only one."

"There is an educational program for all concerned. There will be definite improvement in vision. All will have double vision for they will be able to see the demands of the church throughout the world and can be witnessed both here at home and abroad. Our task still remains the same—to educate, to serve, to be witnesses and to be good stewards. We are bound together with the common faith we have in our Lord and Master, Jesus Christ."

**Adopt Constitution**  
There was special music by six members of the Maude Miller class, Mrs. William Weaver, Mrs. Luther Sachs, Mrs. John H. Basehore, Mrs. Lavere Hamme, Mrs. Harvey W. Knouse and Mrs. R. Swartz Hoke. They sang "Lord, We Come Before Thee Now," accompanied at the piano by Mrs. George C. Fair.

The planning committee recommended the adoption of a constitution for the new program and it was adopted. A copy of the constitution was given to each member. The report of the constitution committee was presented by its chairman, Mrs. Culp.

Mrs. Lighter, chairman of the membership committee, reported approximately 900 letters mailed to women of the church in connection with the new organization and Thursday's meeting. She said 568 answers were received by mail and telephone with 225 of them signifying their willingness to join circles which will meet mornings, afternoons and evenings. Names for the circles have been selected in honor of prominent church or Bible women. At present there are 11 evening circles, three afternoon circles and one in the morning.

**List Circle Chairmen**  
The leaders for these circles have been announced as follows: Mrs. Robert Hand Jr., morning circle; Mrs. Milford E. Rouse, Mrs. Richard L. Smith and Mrs. George J. Wolfe, afternoon circles; Miss Rosa B. Armer, Mrs. Hobson D. Crouse, Miss Margaret C. Howard, Mrs. Elsie E. Kessel, Mrs. Charles E. Kuhn, Miss Jean L. Mumper, Mrs. Arthur V. Phil, Mrs. Calvin B. Schadel, Miss Anna M. Shyrock, Mrs. Walter S. Smith and Mrs. Donald C. Ueber for the evening circles. These circles will hold their first meetings in October with the time and places to be announced later.

There were special greetings to the women of St. James from Mrs. W. Russell Schwartz, representing the United Lutheran Church Women of Christ, Lutheran Church; Mrs. Carroll McKean, from the women of her home church in Sacramento, Calif., and from Mrs. George Walborn, wife of a missionary to Argentina who is now on furlough here after five years in South America.

Mrs. J. Luther Wisler, chairman of the budget committee, reported some of the goals toward which the new organization will be working and as the newly-elected chairman of the education committee she presented each officer and circle leader with a one-year's subscription to "Lutheran Women's Work." These subscriptions were made possible by funds from some of the former missionary societies now incorporated into the Unified Plan.

**Announce Two Meetings**  
Announcement was made that the administrative committee of the new organization will meet Monday, September 22, and the executive committee will meet Wednesday, September 24. Both meetings will be at 7:30 o'clock in the Wineman room at the church.

Mrs. Gilbert Crabill won the contest conducted during the evening in which each woman secured the names of women she did not know, who were attending the meeting. Other winners were Mrs. John Epley, Mrs. Luther Sachs, Mrs. Katherine Rightmyer and Mrs. Almira Motaka.

The pastor, the Rev. Dr. Paul L. Reaser, pronounced the benediction.

Intermediate Troop 44 held its first meeting of the season Thursday afternoon at 3:30 o'clock in St. James Lutheran Church with 22 girls present. Plans for badge work were discussed. The troop was divided into three patrols.

The girls started work on the invitations and program for the troop-family picnic on October 5 at Camp Happy Valley. They also discussed plans for a hayride in the near future. Games were played.

Leaders in charge were Mrs. Arthur Phil, Mrs. Walter Johnson, and Mrs. Earl Shears.

Girl Scout Troop 31 met Wednesday afternoon at the Benderville Lutheran Church for its first meeting of the year, "O Beautiful Banner" was sung. The business session followed at which these officers were elected: Joanne Black, secretary; Peggy Fox, treasurer; and Shirley Tressler, news reporter. Patrol leaders elected were Janet Swope and Kay Collins, first patrol leaders; Faye Taylor and Kathy Wenk, second patrol; and Connie Fetters and Kathryn Gahusha, third patrol.

Troop leaders present were Mrs. Marvin Fox and Mrs. Luther Horick, with Sally Fox as senior aide.

## CONFERENCE SET AT TANEYTOWN

The fall conference sponsored by the Child Evangelism Fellowship of Maryland will be held on Saturday, September 27, from 10 a.m. to 4 p.m. in Grace United Church of Christ, Taneytown. The Rev. Morgan Andreas is the pastor.

The theme of the conference will be "Feed My Lambs" and will concern the work of child evangelism among the children of the world.

Good News Club teachers and workers, along with others interested in C.E.F. from throughout the state, will attend. Speakers will include Mrs. Shirley Wisner, instructor of teachers and children's worker with International Child Evangelism Fellowship. Mrs. Wisner devotes all her time to this ministry and is an expert in her field. She will also demonstrate the materials which will be used in Good News Clubs this fall.

Herman Wollenweber, instructor in teacher training and public speaking at the Baltimore School of the Bible, will also speak. Mr. Wollenweber is chairman of the Maryland C.E.F. Committee. He will speak on "Discipline."

Music will be furnished by Carroll County Good News Clubbers. A baked ham luncheon will be served at noon by the Women's Guild of the church and will cost \$1.00 per plate. Anyone wishing to attend the conference is invited. Those wishing to have luncheon should make reservations no later than Sunday with one of these teachers: Mrs. William Airing, telephone PL 6-6445; Miss Marion Hymiller, PL 6-8254; or Mrs. Kenneth Nussbaum, PL 6-4742.

**SALAMANCA, N. Y. (AP)—**Three men were injured fatally shortly before midnight Thursday when a car driven by Paul Gray, 29, crashed into a parked truck. Gray, and two passengers, Richard Bowles, about 31, and Earl Roach, 42, all of Salamanca died early today at a hospital in nearby Olean.

## M'PARTLAND'S ESTATE SHOWS COMPLICATIONS

MONTEREY, Calif. (AP)—Author John McPartland's estate got a little more complicated Thursday—one more wife and another child.

That runs the total to three women, two of them married, and seven children. The additions came out in Superior Court at nearby Salinas as Mrs. Ida McPartland was named temporary special administrator of his estate.

Ida said the author of the best-selling book "No Down Payment" was the father of her son Donald, 10. She also repeated that he had fathered five children of Eleanor McPartland, to whom he was not married, and added that he had a 21-year-old daughter by a previous marriage.

**Obituary Error**  
The eldest daughter's name is Cynthia, Ida said, although she did not make public the name of that wife or give details.

The writer's tangled life came to light after he died when Ida explained to newspapermen that obituary notices were incorrect in listing Eleanor as the widow. Ida declared she married McPartland in 1943 at Tyler, Tex., and that they were never separated legally.

Eleanor was Monterey's Mother of the Year in 1956. Ida lives 135 miles away from this art colony, at Mill Valley north of San Francisco.

McPartland died of a heart attack Sunday at the home of Eleanor.

## Today's Talk

**A VERY GREAT WRITER**  
I can't recall when it was that I read my first W. H. Hudson book. It was "Green Mansions," probably his most popular book, but "Far Away and Long Ago," "A Traveler in Little Things," and his short stories are my favorites. I am no critic but I have been a lover of fine books and writing all my life and place at the head of writers W. H. Hudson. I never tire of reading from his books, and any or all are worth reading. All his work is about nature.

Hudson writes so smoothly that he intrigues you without your recognizing the fact. Certainly he stands out as one of the world's greatest writers on nature, but a lovable, simple, honest writer.

In 1949, E. P. Dutton, the publishers, brought out an excellent book for lovers of this great artist, in words, entitled "The Best of W. H. Hudson." The editor was Odell Shepard, and with the fine introduction and the extracts from Hudson's many books the reader is given a great treat. No one can afford to pass Hudson by if one loves nature in any of its forms.

No one can read the description of Hudson's youth and his great love for his mother without loving the man. I once purchased a wonderful letter of his about his mother, and it is one of the most interesting items in the Hudson Collection in the Clements Library, at the University of Michigan. One of his most beautiful pieces of writing is about the Chiff-chaff, a famous bird that he loved. It is to be found in his book "A Traveler in Little Things."

What a wonderful thing it is to be in love with great books, to live with them and to tell others about them as I do so often and so happily.

Tomorrow Mr. Adams will talk on the subject: "Happy Outlooks." Protected, 1958, by The George Matthews Adams Service

## Just Folks

**WHEN HE'S SICK**  
It's tough to be flat on your back With a fever that's burning you up.  
To have all your nourishment brought in to you  
In a bowl or a glass or a cup.  
But it's worse to have humorous friends call around  
And smile, when they note your distress.  
Then suggest to your nurse that the trouble with you  
Is just "baseball fever," they guess.

When your temples are throbbing and parched are your lips  
And you think that your brain is aflame,  
And you see funny creatures at play in your room  
And don't even know your own name,  
It's tough, I am sure, for I've suffered that way;  
But it's worse when your funny friends call  
And remark to your nurse: "All the symptoms are plain  
It's just fishing fever, that's all."

## Farmer, 83, Falls Into Circular Saw

**KUTZTOWN, Pa. (AP)—**Edwin R. Fenstermacher, 83, a retired farmer, was killed Thursday when he fell into a circular saw while cutting firewood.

Dr. Warren L. Trexler, Berks County deputy coroner, said the elderly man apparently slipped on the wet grass while passing wood to his son, Warren, 35, and fell into the spinning circular saw. Death was attributed to a skull fracture.

The accident occurred on the nearby Fenstermacher farm.

## JAMIESON IS FOUND GUILTY OF CONSPIRACY

**HARRISBURG (AP)—**A former Chester County highways official has been convicted of conspiring to cheat the State Highways Department in cinder contracts.

A Dauphin County Court jury of seven men and five women deliberated for six and a half hours Thursday before returning a guilty verdict against Frank S. Jamieson, onetime highways maintenance superintendent.

The verdict concluded six days of trial.

## Joined With Prep

Jamieson was accused of joining in a conspiracy with Victor Prep, Frackville contractor, to cheat the department on sale of cinders for use in Chester County.

Prep pleaded guilty and testified on behalf of the Commonwealth. He has been convicted on similar charges in connection with cinder sales in York and Lancaster counties.

He is serving a one-year sentence in Dauphin County Prison on the York County conviction and is awaiting sentence on the Lancaster conviction.

Jamieson maintained that he did not conspire with Prep to submit false delivery slips. The state claims the delivery slips led it to pay thousands of dollars for cinders never delivered.

## Wife Testifies

His attorney, John Bream, told the court that Jamieson had to work for several months without sufficient official personnel.

He said "the real heart of the matter lies in sloppy and inadequate office procedure, but not in a conspiracy."

Jamieson declined to take the stand in his own behalf, but his wife testified.

When the verdict was announced Jamieson showed no emotion. The specific charges against him were conspiracy to do an unlawful act and six counts of false pretenses.

## James MARLOW Reports

The Associated Press

**WASHINGTON (AP)—**Secretary of State Dulles is like a man gingerly shoving a piece of steak towards a tiger, only to have the tiger roar at him: "I said a big piece of steak."

He could have guessed it wasn't big enough for the Communist appetite when he proposed Thursday—in a mild speech at the United Nations—a cease-fire as a preliminary for bringing peace to the Formosa area.

The Red Chinese and Soviets both jumped him. The Peiping radio blasted the idea: "There is no question of a cease-fire since China and the United States are not at war."

## "Complete Withdrawal"

Soviet Foreign Minister Andrei Gromyko let go at him with this: Only a complete U. S. military withdrawal from the entire Formosa area, including Formosa, would bring peace to the Far East.

This was bad enough. But it wasn't all. To still another idea put in circulation by American officials, but unofficially and perhaps as a trial balloon, a representative of America's ally, Chiang Kai-shek, said: "Nuts." Thin was the idea that maybe, if the Red Chinese agreed to a cease-fire, some arrangement could be worked out to demilitarize Quemoy. That couldn't sit well with Chiang and probably wouldn't with the Red Chinese either.

## Chiang Would Object

Demilitarizing Quemoy would almost certainly require withdrawal of Chiang's troops back to the Formosa stronghold and thus mean the end of all his talk, and Nationalist hopes, of retaking the China mainland someday.

He'd hardly agree to this himself. He'd have to be pressured into it by the United States. But would the Red Chinese settle for the mere demilitarization of Quemoy which they claim as their own? Probably not.

Newsweek Thursday tackled Chiang's new ambassador to the United States, George Yeh. They asked about the demilitarization idea, and first got this answer: The Eisenhower administration "has not told us officially" about such a proposal.

Must Defend Chiang  
But when asked what he himself thought of it, Yeh replied in Chinese language: "Demilitarization I think is nuts."

All of which illustrates how the United States let Chiang get it into a box and slam the lid. Now it wants out. Explaining how it got in is easier than how it is to get out.

The United States is pledged to defend Chiang's forces on Formosa but not the Quemoy and Matsu islands near the mainland. Dulles

## Three Military Cops Admit \$1,400 Theft

**CAMP DRUM, N.Y. (AP)—**Three military policemen have admitted the theft of more than \$1,400 in goods from the Post Exchange, the commanding officer said Thursday.

They were identified as Pfc. Kenneth A. Cantry, 20, of Beverly, Mass. Pfc. Richard J. McCormick, 19, of New York City, and Pfc. James J. Modia, 20, of Bristol, Pa.

Nash said the men had taken radios, watches and other goods from the Post Exchange Tuesday night.

Nash said the men face a general courts martial at Fort Jay, Governor's Island, on grand larceny charges. No date was set.

## CRUSHED TO DEATH

**WAYNESBORO, Pa. (AP)—**Neal C. Rihel, 22, of Waynesboro, was killed Thursday when the car in which he was riding missed a curve and turned over, crushing him.

State police reported Rihel was riding with Donald H. Cridler, 26, of Waynesboro, who escaped injury. Rihel was thrown partially from the car and was pinned underneath.

has said the islands by themselves are not worth going to war for.

But Chiang moved so many of his troops to Quemoy from Formosa that, if they were overwhelmed by the Red Chinese, not only would he suffer disaster but the American problem of holding Formosa would be complicated too.

## Decision Is Far Off

Yet the United States didn't oppose his moving the troops to Quemoy. Now the United States is in the position of having to defend them.

President Eisenhower gave this as a reason for fighting for Quemoy: The Communists shouldn't be allowed to shoot their way into what they want. This, however, has not been a consistent American principle. For example: The United States let the Communists take half of Viet Nam—but not Korea—and it stood by helplessly when the Soviets crushed the Hungarian revolt.

So, unless there is war, the jockeying, maneuvering, gum-betting and shoeing will probably continue for quite awhile without any real answers at all.

## Asks U. S. Contracts For Surplus Labor

**WASHINGTON (AP)—**A Pennsylvania Congressman has urged President Eisenhower to set up an emergency program for placing contracts in distressed areas of the nation to utilize surplus labor.

Taking note of the presidential veto of the Distressed Areas Bill passed by the last Congress, Democratic Rep. Daniel J. Flood told Eisenhower in a letter made public Thursday that the special procurement program would afford stop gap relief until new legislation can be introduced next year.

Flood, who lives in Wilkes-Barre, represents a district which embraces the economically hard coal area of northeastern Pennsylvania.

## PITTSBURGH'S CRIME CITED BY M'GONIGLE

**HARRISBURG (AP)—**Arthur T. McGonigle, Republican candidate for governor, today urged Gov. Leader to order the state police into Pittsburgh to fight crime.

McGonigle declared that his Democratic opponent, Pittsburgh Mayor David L. Lawrence, has been reluctant "to move against racketeers."

"Therefore, Gov. Leader should send in state police to clean up this mess and he should send them at once," McGonigle asserted.

## Says Residents Unsafe

"I realize," he added, "that local authorities in Pittsburgh are unwilling to admit their incompetence. But the governor should act anyway."

McGonigle said the lives of Pittsburghers have been threatened by gang wars involving a series of bombings that "endangered the lives of decent, law-abiding people."

"Yet, the Pittsburgh police have not arrested one person for these outrages," McGonigle said.

The GOP candidate added that, if elected, "I will use every means at my disposal to clean out corruption wherever it exists. When the need arises, I will act immediately."

Rep. Hugh Scott, GOP candidate for the U. S. Senate, called for a Republican victory Nov. 4 to bring about a revitalizing of state government.

"As a result of four years of Democratic drift and vacillation," Scott said Thursday at Scranton, "Pennsylvania is faced with these threats:

The loss of job opportunities. The prospect, as things now stand, of mounting state debt and rising taxes with the threat of increased burden on wage earners, farmers and businessmen as well as those dependent on fixed income.

Inadequate school facilities, roads and other government services."

**STOCKHOLM (AP)—**Stockholm newspapers today hailed the play "Hugule" by the late American dramatist Eugene O'Neill as one of his best.

The world premiere of the one-act play was given at the Royal Dramatic Theater Thursday night. King Gustav VI Adolf of Sweden; Queen Louise; and Prince Wilhelm, brother of the King, attended.

The Carolina League All-Stars haven't been beaten in the mid-summer feature since Danville turned the trick by 2-0 in 1949.

## BRAVES DEFEAT CARDS; NEED 2 MORE VICTORIES

By ED WILKS

Associated Press Sports Writer

After 11 years in the majors, Bob Rush finally is going to get a chance to pitch in a World Series. And it looks like the big right-hander has ideas of being the Milwaukee Braves' No. 3 starter against the New York Yankees.

Rush, 32, who spent his first 10 seasons with the Chicago Cubs did the pitching Thursday night as the Braves whipped St. Louis 9-3 and reduced their magic number to two in the only National League game scheduled.

He wasn't particularly neat about it, giving up 11 hits, but he didn't walk a man while winning his third in a row. It was only his fifth complete game of the season, but his second in his last three starts. His record is 10-6.

**Willey Goes Tonight**

With young Joey Jay unable to do more than sideline work because of a finger injury, Rush is grouped with Bob Buhl, Juan Pizarro and rookie Carl Willey in the competition for manager Fred Haney's favor as a third starter behind Warren Spahn and Lew Burdette.

Buhl, out most of the season with injury, has worked only once since returning to action Labor Day. Pizarro, a lefty, Willey and Jay took up the slack when Buhl was out. Willey puts in his bid for a series start when he goes against Cincinnati tonight.

The Braves, who could clinch tonight with a victory should second place Pittsburgh lose to Philadelphia, beat the Cards with four runs in the fourth against Sam Jones (13-12). Red Schoendienst, who was 4-for-5, started it with one of his three doubles. Hank Aaron brought him home with a single. Wes Covington singled and Frank Torre then brought the Braves from behind with a two-run, two-out triple. Johnny Logan singled home the clincher.

### Major League Stars

**Pitching** — Bud Daley, Athletics, gained his first complete game of the season with a five-hitter that beat the Red Sox 4-1, striking out four and walking but one.

**Hitting** — Red Schoendienst, Braves, had four hits in five trips, rapping three doubles and scoring three times in 9-3 victory over the Cardinals.

### Cleveland, Heyser On Bobcat Squads

Clyde Cleveland and Bill Heyser, former Gettysburg High School football stars, are now students at Montana State College, Bozeman, Mont., where both are members of the football squads.

Cleveland is scheduled to start with the Bobcat varsity against North Dakota University on Saturday. Heyser is playing freshman ball.

Both were members of the Gettysburg High School's undefeated team in 1951 which won the 1951 South Penn Conference title. They were selected to the All-Conference team that year. Heyser played end and Cleveland guard during their scholastic careers.

## O'BRIEN WINS LITTLE BROWN JUG, \$36,541

By FRITZ HOWELL

Associated Press Sports Writer

DELAWARE, Ohio, (AP) — You'd think a trainer-driver who has won more than \$2,000,000 in purses in the last six years could pretty well figure when he has a chance to win a horse race.

But 41-year-old Joe O'Brien, who has piled up that big payoff, was fooled Thursday. He won the \$65,252 Little Brown Jug for three-year-old pacers with the California comet, Shadow Wave, after deciding he couldn't do it.

But Shadow Wave, stout-hearted chestnut son of Adios, did it with a pair of 2:01 winning heats over Delaware County Fairgrounds' half mile track, picking up a \$36,541 payoff.

### Rest Helped Speedster

O'Brien hadn't started Shadow Wave, owned by the S. A. Camp Farms of Shafter, Calif., since Sept. 4 at Indianapolis, and he figured the rest had benefited the speedster.

"But if Meadow Bucky hadn't broken off the pace, giving us a little racing room, and that opening in the front tier hadn't been there, I doubt if we'd have made it," he said.

Thorpe Hanover finished second in each heat, giving reinsman Del Miller his fourth straight second-place finish in the colorful "Jug." Thorpe's half brother O'Brien Hanover — both were sired by 1951 winner Tar Heel — took third money with a 3-4 finish.

Bye Bye Byrd, holder of the world record of 1:57.4-5 and an odds-on favorite, failed to threaten in either heat.

## NITTANY LIONS OFF TO LINCOLN

UNIVERSITY PARK, Pa. (AP)

— Penn State left today for its opening game with Nebraska at Lincoln and a test of Coach Rip Engle's wholesale lineup changes in preseason practice.

The Nittany Lions, knee-deep in quarterbacks and returning lettermen, are favorites in Saturday's contest. They have won four of the five previous meetings, the last in 1952. State was 6-3 last season; Nebraska won only one of 10 games.

Engle expressed concern at the prospect of meeting the Big Seven school but appeared more worried about the weather than his opponents.

**Weather Will Change**

The weather in this central Pennsylvania city has been generally cool the past few weeks while it has been hot and humid in Lincoln.

"I'm afraid our kids may run out of gas midway through the game," Engle said.

He said he expected to find Nebraska "physically strong, young and fast," although inexperienced. In anticipation of an aerial assault, he stressed pass-defense in practice this week.

Traveling with the 36-man squad will be five quarterbacks, including two (Don Jonas and Dick Hoak) who have been converted to halfbacks to fill weak spots.

At Jacks will start at quarter with Richie Lucas behind him in Engle's two-platoon system. Bob Scrabis is last in Engle's three-deep lineup. They compiled 1,187 yards passing last season.

### Push Baseball For European Kiddies

WEST HAVEN, Conn. (AP) — Here's one high school football coach who resorted to the belt to maintain discipline.

Coach Billy Irons of West Haven High had a problem when one of his young charges insisted on dressing for tonight's big game against East Haven despite a previous head injury.

"It was easy," said Irons. "I just took the belt to his pants away. He can't play football and hold up his pants, too."

## Three Playoff Games On Sunday

Games to determine the play-off championships of the South Penn and Pen-Mar Baseball Leagues will continue Sunday afternoon, all games being scheduled for 2 o'clock.

Jefferson and Arendtsville will clash at Arendtsville in the first of the final three-game series for the South Penn title. Arendtsville won the regular season honors and eliminated Bonneauville in the semifinals. Jefferson finished second in the league, losing the tie-breaking game to Arendtsville, and then disposed of Mummaburg in the semifinals.

The Pen-Mar circuit Tannetown plays at Fairfield in the deciding game of their three-game semifinal series.

Cashtown hosts Blue Ridge Summit in the other game, the Summiteers having won the opener last Sunday.

## Haas Selected To Grid Rating Board

Eugene Haas, Gettysburg College coach, has been named to the United Press International small college rating board.

The board is composed of 47 coaches throughout the nation. The group will rate the nation's best "little" college clubs each week.

There are 519 small college teams eligible for rating.

## Changes Made In Delone Schedule

Two changes have been made in the Delone Catholic High School football schedule.

The Squires will play at York Catholic on Saturday, October 11, at 2 p.m. instead of on October 12. The game with LaSalle at Cumberland, Md., has been put back one day to Saturday night, October 18, instead of October 17.

## ORTIZ FAVORED OVER BUSSO IN GARDEN FIGHT

NEW YORK (AP) — The "championship" of New York's East Side will be at stake again tonight when "defending champion" Johnny Bussio meets Carlos Ortiz in a return television 10-rounder at Madison Square Garden. Ortiz is an 8-5 favorite.

To an outsider the neighborhood crown might not mean a thing, but to lightweights Bussio, 25, and Ortiz, 22, it's the next best prize to a world title. This holds despite the fact they are high ranking contenders for Joe Brown's championship.

Oddly enough neither lives in the old neighborhood in the East 20's any more.

### Both Confident

"But I go back there all the time," explained Bussio. "If I lost that first fight I gotta walk with my head down. I'm gonna keep walking through the old block with my head up."

"I'm gonna knock his block off," was Ortiz' retort. "I beat him the first time no matter what two of those officials had it. This time I'm gonna make it so big there won't be any question."

Bussio closed strong in the final four rounds to gain a split verdict over the 9-5 favored Ortiz in the first scrap at the Garden June 27. The loss was Ortiz' first in 28 pro fights. His record is 62-1 with one no-decision affair. He has scored nine kayos. Bussio's record is 34-6-1 including 15 knockouts. He has won three straight.

## AKINS BEATEN BY FLANAGAN

ST. PAUL, Minn. (AP) — A victory over welterweight champ Virgil Akins sent the up-and-down career of Del Flanagan soaring to a new summit today.

But as far as Akins' camp is concerned the fancy-footed St. Paul Irishman may as well enjoy the view — he's not getting a title shot as long as Akins holds the crown.

This was the pronouncement of Bernie Glickman, Akins' co-manager and onetime manager of Flanagan, after Thursday nights bout.

"He won the fight, all right," Glickman said, "and he did another thing. He's never going to fight us with the title on the line. How do you fight a man like that? He was holding Akins all night."

Whatever happened, Akins was scarcely in the fight, a non-title 10-rounder. Flanagan's speed and neat combination punching won him a wide early margin. Akins, apparently protecting bruises above his eyes inflicted last month by Tombstone Smith, didn't start swinging his good wallop until the fifth.

## COLLEGE GRID SEASON OPENS THIS EVENING

By JACK CLARY

Associated Press Sports Writer

The 1958 college football season, a topic of hot controversy, officially opens tonight with new rules, new coaches and the same old upset potential.

The big game pits Oregon State, ranked No. 12 in The Associated Press preseason poll, against Southern California in the Pacific Coast Conference. It marks the beginning of the final year for the PCC.

Other games tonight include George Washington at Detroit, Catawba at Davidson and Jacksonville at Chattanooga.

### First Test Of New Rules

Saturday, things begin to bog in the South and Southwest. There also will be a smattering of activity in the East, Midwest, Rockies and Far West.

This will produce the first test of new rules making an extra point worth two points by a run or pass, allowing a player to enter the game twice within the same quarter, forcing an offensive blocker to use one arm instead of two and allowing downfield blocking before the reception of a forward pass.

Mississippi, No. 6, the highest ranked team to see action, goes out of the Southeast Conference to play Memphis State, while the ranked Texas Christian meets the Big Eight's Kansas, under new coach Jack Mitchell.

**Football On TV**

North Carolina, ranked No. 10, plays rival North Carolina State in an Atlantic Coast Conference tilt.

In the second 10, Texas (No. 11) plays Georgia at night, while 18th-ranked Clemson faces ACC foe Virginia, where Dick Voris makes his debut for the Cavaliers.

On the Pacific Coast, Eastern Independent Pitt (No. 19) faces UCLA, with George Dickerson taking over for the Uclans' late Red Sanders. Texas A&M, No. 20, under Jim Myers for the first time, plays Texas Tech, a non-football member of the Southwest Conference until 1960.

Television viewers get in on the act when Missouri hosts Vanderbilt and Oklahoma State plays Denver in the Rocky Mountain area.

## NEW PATTI PAGE SHOW WILL HAVE NO SET FORMAT

By CHARLES MERCER  
NEW YORK (AP) — Four months ago a discouraged Patti Page was ready to quit television. She never talked about it publicly, but her friends knew that she felt the Patti Page show was everybody's show except Patti Page's.

Today a refreshed and excited Miss Page is on the threshold of a new television season. Next Wednesday (Sept. 24) her new weekly half-hour musical series makes its debut on ABC-TV.

She declines to discuss her last season's program on CBS-TV except to say that "everybody tried very hard." It can be said, however, that too many cooks were spoiling the show conducted by that brother of a singer Patti Page, her own ideas of how it should be run were largely ignored.

**Cooks Strained Out**  
Now, with a new production staff, she says, "This is my idea of a show. I know that it's quite the fashion this television season to say that you're having a show with a no-format format. But it is true of our new show. You'll see when it goes on."

"None of the programs will have a theme," Miss Page says. "It might be called a musical variety show, but it's not a variety show in the sense that I come out with a guest and say, 'Let's sing,' and then we do a duet."

Is she banning rock 'n' roll music, which some viewers found the bane of last season's series?  
"Nothing is banned on the new show," she says. "But it definitely is not a rock 'n' roll program. And it's not just a musical series. We'll have comedians and other guests who can't sing or play even a harmonica."

As with many other shows, here faces the problem of obtaining talented and "different" guests.  
"There's plenty of guest talent," she says. "The problem is less in obtaining sufficient money to pay them."

A long vacation this summer was a big help, she feels, in getting ready for a long TV season. She and her husband, dance director Charles O'Curran, spent two weeks in Jamaica, and then visited her family in her native Claremore, Okla., before driving to the west coast.

## EVEN BEST OF FIGURES POSE PROBLEM TO FIT

By DOROTHY ROE  
Associated Press Women's Writer  
"I've never yet found a perfect woman," says Charles LeMaire, who for the last 25 years has designed costumes for the most famous beauties of stage and screen.

"If a girl is a great singer, she has a diaphragm that's hard to fit. If she's a dancer, she's likely to have overdeveloped legs. Glamorous sweater girls usually are top-heavy. Designing clothes for any woman is a problem, for the job of the designer always is to camouflage her bad points and accent her good ones."

**Uses Engineer's Approach**  
LeMaire, a husky, athletic, human type, says he approaches the designing of costumes for each new star in much the way that an engineer figures the stresses and strains of a bridge.

"Take Susan Hayward," says the designer. "She has a real woman's figure—a beautiful figure, but one which requires careful costing before the camera. I always make her clothes with a small waistline and a skirt with a fitted yoke top, which gives a smooth, slender hipline."

"Then there's Suzy Parker—she's a tall girl and my job is to cut down her apparent height on the screen. So I put her in things like a white lace blouse with a black skirt, or a dress with color contrast at the top."

**Mansfield Curves Obstacles**  
"To make a short girl look taller, I keep her outfit all one color, from head to foot."

One of LeMaire's clients is the

## Atomic City Finds Bow, Arrow Useful

LOS ALAMOS, N.M. (AP) — This atomic city is convinced the day of the bow and arrow is not over.

Los Alamos Scientific Laboratory — where the world's first atomic bomb was developed—was faced with the problem of stringing wires across a box canyon.

The walls of the canyon were too steep to climb, and the distance too great or throwing a line.

So Harold W. Groves, a lab employee and an expert bow-and-arrow man, unlimbered his equipment, tied some fishing line to the tail of an arrow and shipped it across the canyon.

The rest was easy.

LeMaire was born in Chicago, raised in Salt Lake City and came to New York in his teens to become the best-known theatrical designer on Broadway. Then he moved to Hollywood. He has been head designer for 20th Century-Fox for the last 15 years.

## Most Modern Process Used By Prosperity

When clothes are dry cleaned by Prosperity Cleaners, W. Railroad St., the patron is assured of professional service backed by the owner's 16 years of experience with cleaning processes, the latest in cleaning equipment and methods, and school-trained, experienced personnel. This in brief is the assurance the patron receives when he has his cleaning done by Prosperity Cleaners.

James A. Knox, owner and manager of Prosperity Cleaners, opened his establishment in April, 1946, at its present location. Before opening his present dry cleaning plant, Knox operated the former Gettysburg Steam Laundry then located on Steinhilber Ave.

Since opening Prosperity Cleaners, Knox has modernized his plant

three times to provide the latest in dry cleaning facilities. The latest addition, made this summer, is a form-fit steam press for dresses. This form eliminates that flat, iron-out appearance and those shining seams which are a result of ordinary pressing.

**One-hour Service**  
The expansion of the original plant in 1946, which included an addition to the plant as well as an increase in plant facilities, such as the installation of additional steam presses to bring the total from two to six, provided Knox with the opportunity to triple his plant's output.

Today, Prosperity Cleaners has a potential cleaning capacity of 60 pounds of clothes per hour. With machines capable of 30 minutes, Prosperity Cleaners is able to provide one hour cleaning service.

During the first half of the one-hour service, the clothes are processed through fully automatic, electrically controlled machines that "wash," rinse, dry and deodorize them. The second half of

the hour is used to "spot" the clothes, which means that any special bits of foreign matter are removed, the clothes are inspected for needed repairs, and are then given their final pressing.

**Solvent Is Distilled**  
Knox uses Mycel for controlled dry cleaning in his automatic machines. The automation of the against human error — when garments are allowed to remain in the dry cleaning solution too long. through which the materials pass. Perhaps the outstanding feature of this modern operation is the process by which the cleaning solvent is distilled, thus making the solvent pure and "good as new" for the following load of materials.

In the older cleaning processes the solvent was used over and over again. Although some attempt was made to filter out the impurities picked up from the clothes cleaned earlier, the cleaning solution contained enough impurities that clothes cleaned later in the

### Biggest Names In Furniture

The Lincoln Square establishment carries a complete line of Taylor living room furniture featuring modern styling with foam cushions and a guarantee on every piece of constructed furniture. Pennsylvania House, the biggest name in dining room, living room and bedroom fur-

niture, is also sold at Raymond's.

Some of the other popular brand names at Raymond's include the quality Simmons and Englander bedding, and Mersman internationally advertised tables in walnut, oak and mahogany.

Raymond's is also the exclusive representative in this area handling a complete line of Heywood-Wakefield furniture.

### Quality Lines

In bedroom furnishings Raymond's offers selections by Kling factories, largest solid bedroom furniture manufacturers in the United States, consisting of solid cherry, solid maple and solid mahogany. Raymond also has a variety of items in the well-known Simmons line, including the "Beauty Rest" mattress, the new Simmons "Hide-A-Bed" complete with spring and mattress, sofa beds and studio couches.

Among the many hundreds of items carried for the various rooms in the home is a complete line of the finest dinette sets made. One of the quality sets stocked by Raymond's is that by the Daystrom Company.

When it comes to the proper lighting facilities, Mr. Raymond can suggest the type and style for one's particular needs. He offers this service.

## "Twilight For The Gods" To Play Majestic

One of the most dramatic stories of adventure ever to reach the motion picture screen, tension-packed "Twilight for the Gods," starring Rock Hudson and Cyd Charisse, opens Sunday at the Majestic Theater.

The gripping film version of Ernest K. Gann's powerful best seller is the latest of Gann's novels to become screen fare, and in action, suspense and the dramatic inter-

ice out of his 36 years of experience in home furnishings. The local firm carries a stock of all types of lamps, either floor, wall or table models.

### Lights, Rugs, Carpets

A number of young parents have solved their children's comfort problems by purchasing from Raymond's exclusive line of Thayer cribs, high chairs, baby carriages and many other items. The name Thayer on baby products assures dependability.

Raymond's is a popular rug center, offering not only quality floor coverings, but also professional installation. Guaranteeing the customer's complete satisfaction, Mr. Raymond uses for the installations only those men he has personally trained in what to him is an art.

Wall-to-wall carpets, small scatter rugs or room-size carpets are offered by Raymond's from the four different lines carried by the firm. One of these lines is Lee's—carpets known for their years of durability and their constant look of newness.

The outstanding feature of Raymond's Home Furnishings is the personalized service given each customer. Money cannot buy service of this type, whether it be during the selection or the installation of the home furnishings—it comes only through the experience Mr. Raymond has gained in selling quality merchandise during his 36 years of business.

play of human elements, it stands worthily alongside that earlier Gann success, "The High and the Mighty."

In color and CinemaScope, "Twilight for the Gods" tells a fascinating modern-day tale of the last voyage of a tattered little sailing ship plying the Pacific. Even more compelling than the brigantine's valiant struggle against the sea, however, is the story of its passengers, revealed with masterful vignettes of humor, pathos, love and excitement.

Rock Hudson, currently at the top of the list as Hollywood's number one star, delivers a magnificent portrayal of the hard-shelled sea captain whose emotions are masked by his grim determination to keep his ship afloat—a poignant portrait of a dedicated man of the sea.

Cyd Charisse, in a rare appearance in a straight dramatic role, blends beauty and talent into a vivid etching of a too-worldly woman seeking a sanctuary from her shady past. Already acclaimed as one of the screen's most talented dancers, Miss Charisse proves to be equally adept as an actress of great skill and stature.

Arthur Kennedy, as the rebellious first mate, adds a golden notch to his brilliant dramatic career, playing the unsympathetic role with a deft artistry that few actors could ever match.

Ty Cobb holds the Detroit Tigers' consecutive hitting streak record. He hit in 40 straight games in 1911.

same solution were not as clean, in some instances were damaged and often developed an odor. "The distillation of the solvent is the latest thing in dry cleaning and makes the cleaning process easier on the materials," Knox says.

### Specially Trained

Helping Knox in his business is a brother, Richard Knox, who has been with Prosperity Cleaners since 1946. He is a graduate of the National Institute of Cleaners and Dyers, where he took the "spotting" course. Ten other employees help to provide the one-hour service that owner Knox offers.

Prosperity Cleaners is open five days a week from 7 a.m. to 6 p.m. and on Saturdays from 7 a.m. to 8 p.m. Knox says the extra two hours on Saturday evening are for the convenience of out-of-town folk who come to Gettysburg to shop. All types of materials may be cleaned at Prosperity, from every type of wearing apparel, including leather jackets and sport uniforms, to drapes, and soft and chair covers.

### Other Special Services

In addition to the cleaning and pressing service, Prosperity Cleaners offers moth proofing and water repellent treatment. Berliu moth proofing is backed by the manu-

facturer with a five-year written guarantee. The cleaning of the article after moth proofing does not destroy the protection.

When garments are treated with Rep-100 water repellent, manufactured by R. R. Street and Company Inc., Chicago, the wearer is protected against moisture even when the garment has been re-cleaned up to ten or 15 times. Knox says this repellent is the

best on the market. As an extra service to the patrons of Prosperity Cleaners, Knox provides pick-up and delivery service within the Gettysburg borough limits.

## High on a Hilltop

### THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Saturday	Romans	12	4-5

It was autumn, and as we looked out at the beauty of the valley Bruce asked me to marry him. Though I loved him, I was afraid to say yes.

I've always been a church-going person. Bruce wasn't. I knew that before I could marry him I would have to show him how much the Church meant to me. I asked him if he would start attending Sunday service with me.

He did; and in the beginning I knew that he was coming only to please me. Then, as time went on, I could see that the Church was beginning to have a new meaning for him. And finally the day came when he turned to me and said, "I had no idea what I had been missing."

That was the turning point. Bruce and I have been married five years, now—and you'll still find both of us in church each Sunday.

### Lesson

By H. R. and M. C. Gold

JUSTICE FOR PEOPLE IN NEED

Isaiah 58:6-8; Luke 4:16-22  
Hebrews 13:1-3

Key Verse: If anyone has the world's goods and sees his brother in need, yet closes his heart against him, how does God's love abide in him? I John 3:17

There are whole areas in the world where people live in dire misery and need. Refugee camps in the Middle East are ministered to by Christian agencies but they can only provide the barest necessities. The crowded Colony of Hong Kong is bursting at the seams with those who need a haven. We live so comfortably that we fail to remember that a half of the world's population goes to bed hungry every night. This we can state but without full comprehension of what it actually means.

Along with justice must go mercy and that means not only in overseas nations but in our own communities where sorrow, sickness, poverty, or loneliness have affected many people. The main responsibility of Christians is to show an active personal concern and see that our congregations are made aware of this concern and the brotherliness we must express.

#### Good Samaritan Helps

When the man on the road to Jericho was beaten and robbed, several men passed along the road and did not consider it their business to stop and give aid. But the Good Samaritan did; he helped the injured man to an inn and provided him with what was necessary. This was true Christian mercy, revealed by Christ. If we are truly in earnest about helping those in trouble, we become channels of divine mercy to others.

The hard, harsh manner achieves nothing and we cannot in justice or mercy say, "He's made his bed. Now let him lie on it." In two verses taken from Luke 4 when Jesus was at Nazareth and stood up to read, He said, quoting from Isaiah: "The Spirit of the Lord is upon me, because he has anointed me to preach good news to the poor. He has sent me to proclaim release to the captives and recovering of sight to the blind, to set at liberty those who are oppressed . . ."

Organized church and government agencies do much to alleviate the needs of the world's vast population but actually we cannot provide what people need so desperately - security, an opportunity to work and earn what they would like to have for their families. In addition to the many excellent agencies, there is opportunity for personal service. Not everyone can be a Christian social worker or a missionary, but each can help give the necessary funds for supporting such workers.

What we do for others in need not only benefits them but us also! You probably recall the lines written by James Russell Lowell in "The Vision of Sir Launfal": "Who gives himself with his aims feeds three—

Himself, his hungering neighbor, and Me."

The Church's ministry of mercy does what the Word says; it gives both the "bread of life" and the "living water" to those who are hungry and thirsty. When you read the Gospel of Luke, be sure to check all the references that can be interpreted as Jesus' concern for securing justice for the needy.

## News Items From Littlestown

### ACTIVITIES ARE PLANNED BY PARISH WOMEN

The St. Aloysius Parish Council of Catholic Women made plans at their first fall meeting on Wednesday evening in the parish hall to serve a public crab cake supper on Saturday, October 4, to sponsor the annual Halloween party for the parochial school children and to attend the Pilgrimage to the Lourdes Shrine at Mt. St. Mary's on October 12, the latter a Harrisburg Diocesan project.

The meeting opened with prayer led by the pastor, the Rev. William A. Boyle, and was in charge of the new president, Mrs. Clyde H. Rohrbaugh. Reports were heard from Mrs. Regina Arter and Miss Marie Budde. It was announced that the annual Communion Breakfast for members of the Holy Name Society will be held on Sunday, October 12, and members of the parish council will serve the breakfast. Mrs. Ivan Rickrode will be in charge of the kitchen committee and Mrs. Bernard M. Selby in charge of the dining room.

**Mrs. Prato Chairman**  
Mrs. Rickrode and Mrs. Selby will also be in charge of the two committees for a public crab cake supper, to be served in the parish hall on Saturday, October 4, from 4 to 8 p.m., family style. All those of the parish who wish to donate food items for the supper, including coffee and desserts, are asked to have their contributions at the parish hall before the supper. Volunteers to work in either kitchen or dining room, may contact the committee chairmen. There will be a 6 o'clock mass for those who help.

The annual Halloween party for the children of the parochial school will again be under council sponsorship. Mrs. Francis Prato heads the committee, and her assistants will be announced at the next meeting. Prizes will be offered to the children for costume and refreshments will be served. Mrs. Prato, who is hospitality chairman and who is in charge of sending gift medals to the newly born babies of parents in the congregation, spoke concerning this project.

Details concerning the pilgrimage to the shrine of Our Lady of Lourdes at Mt. St. Mary's, being sponsored by the Harrisburg Diocesan Council of Catholic Women for all the people of all the parishes in the diocese, were announced by the president. Mass will be said on October 12 at the Mount at 11 a.m.

by Msgr. George Mulcahy, rector, and there will be devotions at the shrine by Father Hugh Phillips. The college facilities will be available to all pilgrims. They may take a picnic lunch and eat on the grounds, swim if the weather is right, etc. It is especially to be noted that the Holy Father has granted the same indulgences to all those who make pilgrimages to Lourdes shrines as would be gained by a trip to the original shrine in Lourdes, France, during this centenary year.

**Speaks For UNICEF**  
Mrs. C. Donald Bowser spoke in the interest of UNICEF, noting that there are films available for organizations to show the work of UNICEF and also announcing that there will be a county gathering on Friday, September 26, at the Gettysburg High School auditorium at 8 p.m., when Spurgeon Keeny, director of the Far Eastern Headquarters of UNICEF, will speak. Mrs. Bernard Kuhns, family and parent chairman, noted the importance of welcoming new families when they come into the parish, to gain their interest in parish activities. Miss Marie Budde called attention to a display of all occasion cards, Christmas cards and kitchen needs, all of which may be purchased or ordered from her for the council.

The national convention of the National Council of Catholic Women is being held in St. Louis, Mo., beginning on Saturday and continuing through Wednesday. The Conewago Deanery is being represented by the deanery president, Mrs. Edwin J. Killalea, Gettysburg, as delegate to the convention and she left for St. Louis on Thursday. This year, the contributions for the special diocesan activities, must be turned into the diocesan chairman by December 31.

**Pastor Speaks**  
The pastor spoke concerning parish activities and parental responsibility with regard to the spiritual as well as the temporal welfare of their children. Mrs. Rohrbaugh announced the following appointments of chairman of standing committees for the 1958-1959 council year: Mrs. Robert J. Eckenrode, special diocesan activities; Mrs. Bernard M. Selby, civil defense; Mrs. George Ernst, cooperation with Catholic charities; Mrs. Bernard Kuhns, family and parent education; Mrs. Z. W. Sanders, foreign relief; Mrs. Joseph H. Redding, immigration; Mrs. Stewart N. Long, inter-American and international relations; Mrs. Thomas French, libraries and literature; Mrs. George P. Smith, organization and development; Mrs. Paul E. Altoff, public relations; Miss Marie Budde, social action; Mrs. Francis Prato, hospitality; Mrs. Guy Lain, spiritual development, and Miss Jane Rang, youth chairman.

The next meeting will be held on Wednesday, October 15, with the following committee on arrangements: Miss Jane Rang, Patricia Anthony, Mrs. William Anthony, Mrs. Henry P. Storm, Mrs. Robert Bevenour, Mrs. Kenneth Stuller.

### School Patrols Are Organized

### Girl Scouters At Planning Session

The leaders and troop committee members of Intermediate Girl Scout Troop No. 45 held a planning session on Wednesday afternoon at the home of troop leader, Mrs. John Kump, near town. It was decided to resume weekly meetings of the troop on Wednesday of next week, after school, at the engine house. The girls are asked to take their handbooks and their registration fee to this first meeting. Mrs. Edwin W. Elder Jr., former leader of the troop, who returned home recently after three years in Europe where her husband was serving with the Armed Forces, was welcomed back into the group and in her honor, party refreshments were served by Mrs. Kump. This year the troop leaders will be Mrs. Kump, Mrs. Elder and Mrs. John H. Flickinger and the troop committee members are Mrs. Paul E. Altoff, chairman, Mrs. Karl P. Bankert, Mrs. William R. Keeler, Mrs. Howard Myers, Mrs. Luther W. Ritter, Mrs. John R. Rudisill and Mrs. John A. Sentz.

Mrs. Albert Kuhn, Miss Ethel Cool, Miss Mary Redding and Mrs. Edward G. Loeffel.

The guess package, given by Mrs. Prato, was received by Mrs. George Ernst. Following prayers for vocations, led by the pastor, refreshments were served by the officers, Mrs. Rohrbaugh, Mrs. Mark Redding, Mrs. Arter and Miss Budde.

## Mark Golden Wedding Day

The children of Mr. and Mrs. Thomas E. Dehoff Sr. gave them a surprise party on their golden wedding anniversary Saturday at the Kingsdale Fire Hall with over 100 guests present.

The center table was decorated with 50 yellow rosebuds and 50

yellow mums, as well as a three-tier anniversary cake. The Dehoffs received a monetary gift from their children and many beautiful useful gifts appropriate for a golden anniversary.

Mr. Dehoff, a son of the late Augustus and Anna Reinman Dehoff, and Mrs. Dehoff, the former Anna M. King, daughter of the late Edward and Sarah King, were married on September 17, 1908, in Westminster, Md., by the Rev. P. H. Miller, Lutheran minister. They are the parents of ten children, nine of whom are living: Mrs. Anna Dundalk and Herman, both of Biglerville; Diamond, Littlestown; Mrs. Alton Washburn, Keymar; Mrs. Roland Harver, Taneytown; Dagon, Shippensburg; Thomas Jr., Littlestown; Mrs. Charlotte Lewis, Thurmont, and Clarence, New Jersey. They have 18 grandchildren and three great-grandchildren.

Mr. Dehoff is 73 years of age and Mrs. Dehoff is 67. Both are enjoying good health.

## Unique Formosan School Uses Love And Reason In Reforming Captured Reds

By **RELMAN MORIN**  
Associated Press Staff Writer

Can you imagine trying to reform a Communist with kindness and love?

"We think it works," said the young professor. "Come and see."

So this correspondent, on a recent trip to Formosa and Quemoy, spent the night in one of the most unusual "schools" in the world. It is near Taipei, capital of the exiled Chinese Nationalist government on Formosa.

**Walled "Campus"**

Surrounded by walls, and with armed guards in watchtowers, it looks more like a penal institution. But they call it a school. The grounds are "the campus." When a man or woman is allowed to leave, they say he has "graduated."

It is a reformatory for Chinese Communists.

Formosa is only 120 miles from the coast of Red China. In their unending war, the two regimes continually slip agents into each other's territory.

When the Nationalists catch a Communist, or even a fellow-traveler, they put him in this school.

**Three-Year Course**

He stays at least three years.

Then if the instructors are convinced he has changed, they release him.

"But isn't this plain brain washing?" I asked. "It sounds like the same thing the Communists do."

"Just the reverse," said the Chinese professor.

"They use force. We never touch a man. They preach hate. We teach love. We try to make a man feel that he belongs to a family, and is loved, as in any family."

More than half the day is devoted to political instruction.

"But we encourage them to argue freely about Communist doctrine. We counter every point with the teachings of Dr. Sun." Sun Yat-sen, the revolutionist, wrote the "Three principles of the People," advocating democracy.

"We sometimes answer their arguments with the sayings of Washington and Lincoln."

Each man gets vocational training — carpentry, mechanics, rice milling, weaving, shirt-making, printing and newspaper composition, and agriculture.

"Here, again, there is no coercion," said the professor. "Each person freely chooses the trade he wants to learn."

They reason that a man who has

## Church News Littlestown

Announcements made by the pastors of the churches of Littlestown and vicinity for the weekend and coming week include:

**St. Aloysius Catholic Church**, the Rev. Fr. William A. Boyle, pastor. Saturday, 7:30 a.m. mass; 4 to 4:45 and 7 to 7:45 p.m., confessions will be heard; 8 p.m., weekly public party in the parish hall, when prizes will be awarded and refreshments will be available. Sunday, 7 and 9:30 a.m. masses; Sunday School for the elementary pupils of the parish not attending parochial school between masses. Daily mass next week at 7:15 a.m. Monday 7 p.m. religious instructions for the Junior-Senior High School students of the parish attending public school. Sunday, September 28, 7:30 a.m. mass; 10 a.m. mass.

a special trade, and can earn a better living, is less likely to fall for the Communist line. Statistics showed that the great majority of those who had come to the school as Reds were farmers or soldiers, many of them illiterate.

**A Kindergarten Too**

Each man also has a bit of ground for gardening. Some raise flowers, the majority vegetables — and they are encouraged to sell the produce, thus indulging in that Communist anathema, private enterprise.

The sound of children singing floated across the yard.

"That's our kindergarten," said the professor. "There are always a few women here. Those who have children can keep them here. They play games and get a little schooling while their mothers are at work."

He said one of the women had been planted by the Reds as a housemaid in the home of an American officer to spy on him.

**Believe Love Works**

Finally, I asked the pay-off question: "When you release a man, how can you be sure he isn't merely pretending to have given up his Communist ideas? How can anyone tell?"

"They are watched, of course," he said. "They know that."

"But this is much more significant: Many come back to visit us and they frequently say 'I feel that this is my home and my family.'"

Can you cure communism with love and reason? In this unique "school," they firmly believe so.

## HIGHWAY DEPT. TIGHTENS UP ON PAPER WORK

HARRISBURG (AP)—The State Highways Department bookkeeping section—in the wake of recent cinder purchase scandals—has quite a bit more work to do these days in handling bills for materials.

But Secretary Lewis M. Stevens says he doesn't mind one bit. In fact, he looks on it as money well spent.

The additional paper work began several months ago in a general tightening up of purchasing procedures of the department following charges of cheating, some of which still are being aired in the courts.

Tighter Crosschecks  
"We have established a somewhat tighter system of cross-check on purchases in a move to guard even more against any possibility of swindling in the sale of materials to the department," Stevens said.

A spokesman for the comptroller's bureau in the department said the new safeguards were put into operation after conferences with the auditor general's office and Highways Department officials.

"For instance," he said, "we now require that every individual delivery slip for cinders be sent from the county office to the department in Harrisburg where they are checked against the general invoice before it is sent to the auditor general for payment approval."

Baseball has become as popular in South Africa as British cricket and soccer.

## The POWER of FAITH by Howard Brodie

Sam Walter Foss' faith in God made him a friend of man. The journalist, humorist, librarian and poet of last century America believed that great art was created by him "who understands man, knows the heart of him, loves him above all the rest."

I talked with his daughter in Massachusetts and she remembers her father's "strong faith." A minister once hailed him as a preacher in poetry. His inspired lines of "The House by the Side of the Road" live as one of America's most popular poems:

"Let me live in my house by the side of the road,  
Where the race of men go by—  
They are good, they are bad, they are weak, they are strong,  
Wise, foolish—so am I;  
Then why should I sit in the scorners' seat,  
Or hurl the cynic's ban?  
Let me live in my house by the side of the road  
And be a friend to man."

## SEES CHANGES IN ELECTRIC POWER

PITTSBURGH (AP) — Just

imagine—  
An energy storage system so efficient our electrical needs could be generated days in advance of their demands. . . .

A vast interconnection of systems linking electric firms and enabling the industry to feed power from any generating point in the country to points where peak loads exist. . . .

Generating electric power without the use of steam turbines and generators. . . .

These are some of the far-reaching changes in the production and distribution of electricity forecast by Mark W. Cresap Jr., president of Westinghouse Electric Corp. Cresap Thursday addressed the closing session of the annual two-day Pennsylvania Electric Assn. convention.

## Courageous Boy Suicides; Had Too Many Rejections

WOODBRIDGE, N.J. (AP)—John Brego knew a lot of rejection in his 17 years.

He had hoped desperately for an Army career, but a brutal beating by a gang of youths two years ago affected his heart, sent him to the hospital twice. The Army rejected him.

He finally joined the National Guard, but after a time he had to leave that.

John left school and went to work to help his mother and younger brother. His recurring spells, however, forced him to leave job after job.

John felt he could still be of some use.

Three weeks ago he entered a neighbor's home and offered to give up one of his eyes so a 9-year-old girl, blind for more than four years, could see again.

"Would it be all right if I gave Patricia one of my eyes?" the boy asked Mrs. Michael Misak.

"I can have one and she can have one—and then we both can see. Please, make the arrangements, if it's all right with you."

Mrs. Misak was touched by John's offer, but in all humanity she had to reject him too.

Police found him Thursday hanging from a baseball backstop at a local recreation field.

### Harney

HARNEY—Services at the Evangelical United Brethren Church Sunday will be at 9 a.m.

Mrs. Wade Brown and her daughters, Barbara and Sally, of near Littlestown, visited Mrs. Brown's parents, Mr. and Mrs. Harry Clutz, Sunday afternoon.

Mr. and Mrs. Robert Strickhouser and Mr. and Mrs. Harry Angell visited Mr. and Mrs. Glenn Mummert, Littlestown, R.D., Wednesday.

Mr. and Mrs. George Marshall visited recently at the home of Mr. and Mrs. Don D. Heagy, Gettysburg R. 5.

Among Sunday callers at the home of Mr. and Mrs. Harry Angell were Mr. and Mrs. John Radle and their children, Harrisburg, and Mrs. Lena Blyer, Steelton.

Mr. and Mrs. George Bower, Mr. and Mrs. Nevin Ridinger and John Ridinger Jr. motored to Pottsville recently where they visited coal mines and saw the largest coal shovel in the U. S.

Mr. and Mrs. Richard Hockman and their sons, Alexandria, Va., were weekend guests here, visiting Mrs. Marion Haines and Mr. and Mrs. Richard Crouse.

Mr. and Mrs. George Kreit Sr., Westminster, called on Mr. and Mrs. Melvin Overholzer Sr. Saturday evening.

Mr. and Mrs. Samuel Weikert and their son, Bernard, and Miss Ada Frazer, Gettysburg, and Mrs. Stockton Rountz, Frederick, were recent callers at the home of Mrs. M. O. Fuss.

The young peoples' classes of St. Paul's Church are planning a bake sale to be held at the Taneytown fire hall October 4.

George I. Shriver Jr. left Saturday for Valparaiso, Ind., where he plans to enroll in the Valparaiso Technical Institute to study electronics.

## WOULD CONTINUE LEADER'S PLANS FOR HOSPITALS

ADVANCE FOR 11 A.M. EST WASHINGTON, Pa. (AP)—Mayor David L. Lawrence of Pittsburgh promised today that if elected governor he would expand Pennsylvania's mental health program.

The Democratic candidate pledged "to build on the foundation started by Gov. Leader to provide an all-purpose mental health program for Pennsylvania."

In a speech prepared for delivery during a tour of Washington County, Lawrence cited the improvements planned for the Western Pennsylvania Training School in Canonsburg as "typical of the long-range mental health and welfare program instituted by Gov. Leader."

The training school, formerly known as Morgantown, is presently a correction institution for some 275 juveniles.

"Early next year," Lawrence said, "a vast \$9,230,000 expansion project will get underway which will transform the institution into one of the modern and attractive child centers in the nation."

Lawrence said that plans include facilities for the care of retarded or emotionally disturbed children and a diagnostic clinic for children who have fallen into delinquent behavior.

Address 2,000 Lawrence and Leader Thursday night addressed a rally of more than 2,000 persons in Pittsburgh following the formal opening of Allegheny County Democrat headquarters.

In attendance were two Allegheny County officials, Coroner William D. McClelland and Prothonotary David B. Roberts, who at times have been at odds with Lawrence.

McClelland declined to say whether his appearance meant an endorsement for Lawrence and the rest of the slate. He said only: "I went there as a Democrat. I've been very active for the last 25 years for the Democratic candidates in the fall elections. Sure I've been at odds with Lawrence in primary fights. But that's what primaries are for."

The U. S. battleship Maine was blown up in the harbor of Havana, Cuba, in 1898, thus launching the Spanish-American War.

## SEE RECOVERY EXTENDING TO NEXT YEAR

WASHINGTON (AP)—With things looking up in the steel, auto and textile industries, the economic recovery promises to keep going into next year.

That's a summary of the views given to Secretary of Commerce Weeks Thursday by his Business Advisory Council.

The council, comprised of top executives of about 100 of the nation's biggest firms, met with Weeks Thursday behind closed doors.

Afterward, Weeks said the industrialists were "very confident that business will go on improving throughout the fall and into next year."

The secretary gave this rundown on conditions in the steel, auto and textile industries, all of which were hurting during the recession:

Steel—As steel-using industries move to build up depleted stocks, increased production rate expected to continue.

Automotive—Apparent end of industry-wide strike threat sparks hopes for unimpeded economic recovery. Big orders for steel and other materials for 1959 models counted on to boost output. Auto industry spokesmen on BAC expect improved car-selling year ahead.

Textiles—Representatives on BAC report better-than-anticipated third quarter business in this industry.

### Two Men In 8th Day In Space Chamber

SAN ANTONIO, Tex. (AP)—Two researchers at the Air Force School of Aviation Medicine entered their eighth day in a sealed, simulated space chamber today. They report they are "feeling great" but look forward to a shower when they emerge Monday.

Both Dr. Bruno Bakke and M. Sgt. Samuel G. Karst are eating and sleeping well and have stopped losing weight, said Dr. Robert C. Clark, who heads the experiment to learn more about man's reactions to living in space.

The New York Rangers will open their National Hockey League season at Madison Square Garden on Wednesday, Oct. 15.

ADVERTISE IN THE TIMES

**LEGAL LOOT**  
HOLMDEL, N. J. (AP)—There's treasure buried at Telegraph Hill Park off the Garden State Parkway here. But it's not the loot local legend says was buried by Captain Kidd.  
It's a quarter, the first toll ever collected on the parkway, which was buried in a chest when the park was dedicated in 1954.

**FIRST:**

**CHECK**  
the things you hate!

☐ Standing in line to pay your bills.

☐ Keeping complicated expenditure records.

☐ Discovering that you have no receipt for a bill you've paid.

**THEN:** Do away with them all by opening a checking account here and using it to pay your bills the time-effort-and-money-saving way—with your personal checks that become automatic receipts.
